## **DISCRIMINATION AND EQUAL OPPORTUNITY COMPLAINT FILING AND RESOLUTION PROCESS**

This section deals with resolution of complaints alleging discrimination on the basis of race, creed, color, religion, sex (including sexual harassment, sexual orientation, sex stereotyping, transgender status, gender identity, pregnancy, childbirth, and related medical conditions), national origin (including limited English proficiency) age, disability, political affiliation or belief, retaliation, citizenship or participation in WIOA programs.

The nondiscrimination and equal opportunity provisions found in Section 188 of WIOA and Title 29 CFR Part 38 prohibit discrimination on the grounds of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and for beneficiaries, applicants, and WIOA participants only, citizenship or participation in a WIOA Title I financially assisted program or activity.

The County of Los Angeles Local Workforce Development Area (County) has assured the U.S. Department of Labor (DOL) and the State of California Employment Development Department (EDD) that no individual or registrant to the County's WIOA Program will be discriminated against because of race, creed, color, religion, sex (including sexual harassment, sexual orientation, sex stereotyping, transgender status, gender identity, pregnancy, childbirth, and related medical conditions) national origin (including limited English proficiency), age, disability, political affiliation or belief, retaliation, and for beneficiaries, applicants, and WIOA participants only, on the basis of citizenship or participation in a WIOA program or activity. This implies that:

- No benefits may be denied to a WIOA participant because of race, creed, color, religion, sex (including sexual harassment, sexual orientation, sex stereotyping, transgender status, gender identity, pregnancy, childbirth, and related medical conditions) national origin (including limited English proficiency), age, disability, political affiliation or belief, retaliation, citizenship or participation in a WIOA program or activity, while being registered, interviewed, counseled, assessed, or while working in a work activity or attending class as part of the program; and
- Each WIOA participant must be provided the same opportunities to use all facilities available in the program as all other participants and
- Reasonable steps must be taken to ensure that communications with individuals with disabilities are as effective as communications with others. Meaning that, upon request and at no cost to an individual, County of Los Angeles AJCCs are required to provide appropriate auxiliary aids and services to qualified individuals with disabilities.

***Statute of Limitations.*** A discrimination complaint must be filed within 180 days of the alleged discrimination, either with the County, County grant sub-recipient (AJCC), or with the Department of Labor Civil Rights Center (CRC).

**Information to be Included in Complaint.** All complaints must be submitted in writing and must be signed, dated, and contain the following information:

- a) Complainant's name, address and means of contact;
- b) Respondent's information;
- c) Complainant's allegation(s) described in sufficient detail to allow the CRC or County EEO staff, as applicable, to determine whether: (1) County or CRC has jurisdiction over the complaint; (2) the complaint was filed timely (i.e. within 180 days of the occurrence); and (3) the complaint has apparent merit (i.e. whether the allegation(s), if true, would violate any of the nondiscrimination and equal opportunity provisions of the WIOA); and
- d) Signature of the complainant or their authorized representative.

**Procedure for Filing Discrimination Complaints with the County.** Any person who believes that they or any specific class of individuals has been, or is being subjected to discrimination prohibited by the nondiscrimination and equal opportunity provisions of the WIOA regulations may file a written complaint by using the Discrimination Complaint Form – Local Area, (Attachment II of EDD Directive WSD 17-01 *Nondiscrimination and Equal Opportunity Procedures*) or a representative may file on their behalf. Both Complainant and Respondent have the right to be represented by an attorney or other individual of their choice.

***Person and Place of Contact.*** Complaints filed with County should be directly mailed to:

**County of Los Angeles  
Workforce Development, Aging, and Community Services  
3175 West Sixth Street  
Los Angeles, CA 90020-1708  
Attn: Equal Opportunity Officer**

Complaints filed with the County will be processed through the Workforce Development, Aging, and Community Services (WDACS). The complainant will be offered Alternative Dispute Resolution (ADR) upon receipt of the complaint, as further described below. WDACS will investigate and prepare a written report that will be sent to the Complainant and the Respondent to attempt to resolve the complaint informally within thirty (30) days of filing of the complaint.

WDACS will also provide copies to the State Equal Employment Opportunity Office (EEOO).

***Alternative Dispute Resolution (ADR).*** The choice to use Alternative Dispute Resolution (ADR) procedures rests with the Complainant. The preferred form of ADR is mediation.

A party to the agreement reached under ADR may file a complaint with CRC in the event the agreement is breached. In such circumstances, the following rules apply:

- (1) The non-breaching party may file a complaint with CRC within 30 days of the date on which the non-breaching party learns of the alleged breach;
- (2) The CRC will evaluate the circumstances to determine whether the agreement has been breached. If the CRC determines that the agreement has been breached, the Complainant may file a complaint with the CRC based upon their original allegation(s), and the CRC will waive the deadline for filing such a complaint.

If the parties do not reach an agreement under ADR, the Complainant may request an administrative hearing or file directly with CRC pursuant to Title 29 CFR Sections 38.69 to 38.72.

**Administrative Hearing.** The request for administrative hearing shall be made within (5) days of the informal resolution meeting.

The administrative hearing shall be scheduled before the County EOO within 30 days of filing the request for hearing. A Notice of Final Action shall be issued by the County within 90 days of filing the complaint. The Notice of Final Action shall include notification of the right to file a complaint with the Department of Labor Civil Rights Center (CRC).

If the Complainant wishes to file a complaint with CRC, he/she must wait until the County issues a decision or until 90 days have passed since the filing of the original complaint with the County.

If after the 90 days noted above, the Complainant continues to be dissatisfied with the resolution of the complaint, the Complainant or their representative may file directly with the CRC within 30 days of the date that the Complainant received the Notice of Final Action from the County.

In the event that the Complainant has not received the Notice of Final Action within 90 days of filing, the Complainant may file the complaint with the CRC. Specifically, the complaint must be filed with the CRC within 120 days of the date of which the complaint was filed with the County.

The County shall notify the Complainant in writing immediately upon determining that it does not have jurisdiction over the complaint that alleges a violation of the nondiscrimination and equal opportunity provisions of WIOA. The Notice of Lack of Jurisdiction shall include the basis for such determination, as well as, a statement of the Complainant's right to file a written complaint with CRC within thirty (30) days of receipt of the Notice.

**Procedure for Filing Discrimination Complaints with the Civil Rights Center (CRC).**

A complaint filed with the CRC must be done **within 180 days** of the alleged discrimination. The CRC, for good cause shown, may extend the filing time. In order to receive an extension, the Complainant must be notified by WDACS that a waiver letter is to be filed with CRC. The waiver letter should include the reason the 180-day time period elapsed. The time period for filing is for the administrative convenience of the CRC and does not create a defense for the Respondent.

***Person and Place of Contact.*** Complaints filed with the Civil Rights Center (CRC) should be mailed to:

**Civil Rights Center (CRC)  
U.S. Department of Labor  
200 Constitution Avenue N.W., Room N-4123  
Washington, D.C. 20210**

***Actions by the Civil Rights Center.*** When the CRC accepts a complaint for investigation, it shall do the following: (a) notify the Local Area and the complainant of the acceptance of the complaint for investigation and (b) advise the Local Area and complainant on the issues over which the CRC has accepted jurisdiction. When a complaint filed contains insufficient information, CRC will seek the needed information from the Complainant. If the Complainant is unavailable after reasonable efforts have been made to reach them, or the information is not provided within the time specified, the complaint file may be closed without prejudice upon written notice sent to the Complainant's last known address.

The CRC may issue a subpoena to the Complainant to appear and give testimony and/or produce documentary evidence, before a designated representative, relating to the complaint under investigation. This procedure can be done at any place and time in the United States.

Where the CRC lacks jurisdiction over the complaint, CRC shall notify the Complainant and give the reason(s) for this determination and refer the complainant to the appropriate federal, state or local authority, when possible.

If the Complainant alleges more than one kind of complaint, "joint complaint" (e.g. individual employment discrimination, age discrimination, equal pay discrimination, etc.), CRC shall refer such joint complaint to the **Equal Employment Opportunity Commission** for investigation and conciliation pursuant to Title 29 CFR Parts 1690 or 1691, as appropriate.

The CRC may offer the parties of a complaint the option of mediating the complaint. In such circumstances, the following rules apply: (a) the mediation is voluntary; both parties must consent before the mediation process will proceed, (b) the mediation will be conducted under the guidance issued by the CRC and (c) If the parties are unable to reach resolution of the complaint through the mediation, the CRC will investigate and process the complaint under Title 29 CFR Sections 38.82 through 38.88.

**Initial Determination by Civil Rights Center.** After making a cause of finding, CRC shall issue an Initial Determination. The Initial Determination will inform the Complainant and the County in writing of the following:

- (a) The specific findings of the investigation;
- (b) The proposed corrective or remedial action and the time by which the corrective or remedial action must be completed;
- (c) Whether it will be necessary for the Local Area to enter into a written agreement; and;
- (d) The opportunity to participate in voluntary compliance negotiations.

**Final Determination by Civil Rights Center.** Where a no cause determination is made, the CRC must issue a Final Determination to the complainant and the Local Area. The Final Determination represents DOL's final agency action on the complaint.

**Allegations of Discrimination by AJCC Partners.** Under the AJCC delivery system where an allegation of discrimination is made against an entity that operates a program or activity financially assisted by a federal grant-making agency other than DOL, but participates as a partner in the AJCC delivery system, the following procedures apply:

- (a) If the Complainant alleges discrimination on a basis that is prohibited both by Section 188 of WIOA and by a civil rights law enforced by the federal grant-making agency, the CRC and the grant-making agency have dual jurisdiction over the complaint. The CRC will refer the complaint to the grant-making agency for processing and the grant-making agency's regulations will govern the processing of the complaint.
- (b) If the complaint alleges discrimination on a basis that is prohibited by Section 188 of WIOA, but not by any civil rights laws enforced by the federal grant-making agency, the CRC has sole jurisdiction over the complaint and will retain and process the complaint per Title 29 Part 38. The CRC will advise the complainant and the Local Area of the referral.

**Prohibition against Using Federal Funds for Monetary Compensation.** Monetary corrective action may not be paid from federal funds.

## **DISCRIMINATION BASED ON SECTION 504 OF THE REHABILITATION ACT:**

Complaints alleging discrimination on the basis of disability are to be filed directly with the Equal Employment Opportunity Office (EEOO) of the California Employment Development Department and mailed to the following address:

## **WIOA PROGRAM VIOLATION GRIEVANCES AND COMPLAINTS FILING AND RESOLUTION PROCESS**

This section deals with complaints alleging violations of WIOA regulations, including complaints alleging fraud or criminal activity. These policies and procedures are established pursuant to EDD Directive WSD 8-04 *Grievance and Complaint Procedures*.

**Legal Representation.** At all levels of the grievance or complaint process, complainants have the right to be represented, at their own expense, by a person(s) of their choosing. Any party may be represented by an attorney or other representative at their own expense. The County cannot appoint an attorney to represent either party nor can the County provide legal advice to either party.

**Statute of Limitations.** Grievances or complaints must be filed with County within **one year** of the alleged violation. All grievances, complaints, amendments, and withdrawals must be in writing. All persons filing grievances or complaints shall be free from restraint, coercion, reprisal, or discrimination. A complaint shall be accepted only if the Complainant alleges a violation of the regulations, grant or other agreements under WIOA.

Complainants have the right to receive technical assistance to ensure that the complaints are filed properly. Such technical assistance includes providing instructions on how to file a grievance or complaint, providing relevant copies of documents, clarifications and interpretations of relevant provisions.

**Information to be Included in Complaint.** The grievance or complaint must be in writing, signed, and dated. For resolution purposes, the County recommends that the following information is obtained for all complaints:

- Grievances or complaints against individuals, including staff or participants, shall indicate how those individuals did not comply with the WIOA law, regulation, or contract; and

The absence of any of the requested information shall not be a basis for dismissing the grievance or complaint. A grievance or complaint may be amended to correct technical deficiencies at any time up to the time of the hearing. Grievances or complaints may not be amended to add new issues. The one-year time period in which a grievance or complaint may be filed is not extended for grievances or complaints that are refiled with amendments. Grievances or complaints may be withdrawn at any time prior to the issuance of the hearing officer's decision. The County shall send a copy of the grievance or complaint to the respondent.

**Modification of Complaint.** All time frames referred to in these procedures may be modified upon mutual written consent of the parties involved or by changes in applicable State or Federal rules and regulations.

Prior to the hearing, the complainant may amend his or her complaint to correct technical deficiencies but is not to add issues. The amendment must be submitted in writing to the Equal Opportunity Officer.

**Withdrawal of Complaint.** A complaint once filed may be withdrawn only by written notice to the WIOA Grievance Officer and to re-file the same complaint at a later date will require the consent of the WDACS Director or her designee.
