

Youth@Work Vaccine Mandate Participant Certification Form

On December 7, 2021 the County of Los Angeles implemented an ordinance amending Vaccinations of County Contractor Personnel of County Code Title 2 - Administration. Effective January 1st, the County extended the ordinance to all Youth@Work Program participants, which states that all Youth@Work Program participants must be fully vaccinated, and must provide proof of vaccination, unless they have been granted an accommodation for qualifying medical or religious reasons.

1. All participants must provided a one-time verification that they are fully vaccinated; or
2. Provide one-time documentation for a medical or religious exemption, and
 - a. Provide a weekly polymerase chain reaction ("PCR") or antigen test
