HOW TO SIGN UP FOR A COVID-19 VACCINATION APPOINTMENT

COVID-19 Vaccines are free of cost and the Department of Public Health is not asking about or sharing immigration status with any organizations. We are committed to providing a safe place for everyone to receive the vaccine. You do not need citizenship to receive the vaccine in LA County, you just need to prove that you live or work within the county.

INFORMATION YOU SHOULD HAVE READY BEFORE YOU SIGN UP FOR AN APPOINTMENT
1. First Name
2. Last Name
3. Email
4. Phone Number
5. Birth date
6. Health Insurance Information (not required if you don't have health insurance)

STEP 1: Go to myturn.ca.gov
STEP 2: Check if it is your turn (it will ask for your age and the industry you work in)
STEP 3: If it is your turn and there are appointments available, you can choose a location and book an appointment for your first and second doses.

IF YOU'RE SIGNING UP FOR SOMEONE ELSE OR SOMEONE ELSE IS SIGNING UP FOR YOU
- If you are signing up for someone else and yourself at the same time, you can reuse the same email. The system will not decline your appointment if it sees the same email or phone number used multiple times. Confirmations are sent to both the email and phone number by text. Make sure to include either a phone number or an email address so you can be notified.
- If you are putting down someone else's phone number or email address, make sure to check with them about notifications as you will get a text/email with a confirmation number for your appointment.
- Some vaccination sites are drive-thru only, make sure to check when booking the appointment.

PREPARE FOR THE DAY OF YOUR VACCINE
Plan to show up 30 minutes before your appointment.

You must bring document(s) to show all 3 of the following: (Note: one document may cover more than one requirement e.g., a work badge with photo and an LA County workplace would meet all 3 criteria).

1. Photo ID (does not have to be government issued), and
2. Proof that you live or work in LA County (if your other documents do not include your home or work address, see list for acceptable items), and
3. Proof of eligibility based on the sector you are in. You can find a full list of documents accepted at VaccinateLACounty.com under Sector Vaccination Factsheets.

Acceptable documents for proof of living in LA County *(you do not need to prove citizenship, just that you live in LA County):*

- Driver's license
- California ID card or REAL ID card (from the DMV)
- Library card
- Postmarked letter
- Utility bill
- Vehicle registration
- Vehicle insurance
- Voter registration confirmation
- Rent receipt or lease or letter from landlord
- School or employment document

If you are signing up for someone else, give them a gentle reminder the day before of their upcoming appointment time and reshare their confirmation number with them. Missed appointments lower the number of residents we are able to vaccinate that day.

If you are signing up a neighbor, friend or community member up for an appointment, remember to discard any sensitive information that they share with you.
