How to use this map application

department
of **economic**
opportunity
COUNTY OF LOS ANGELES
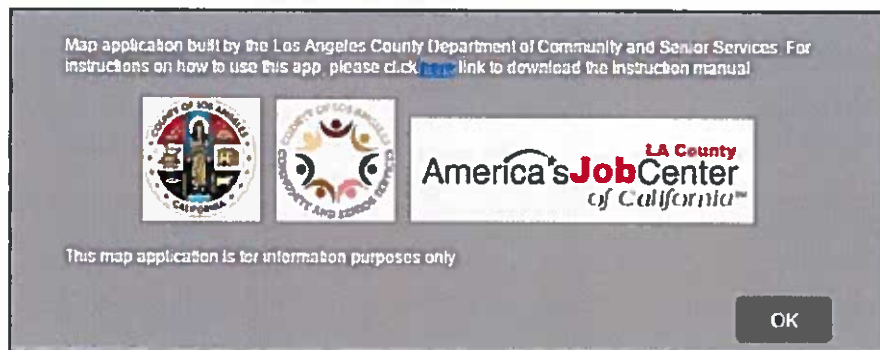

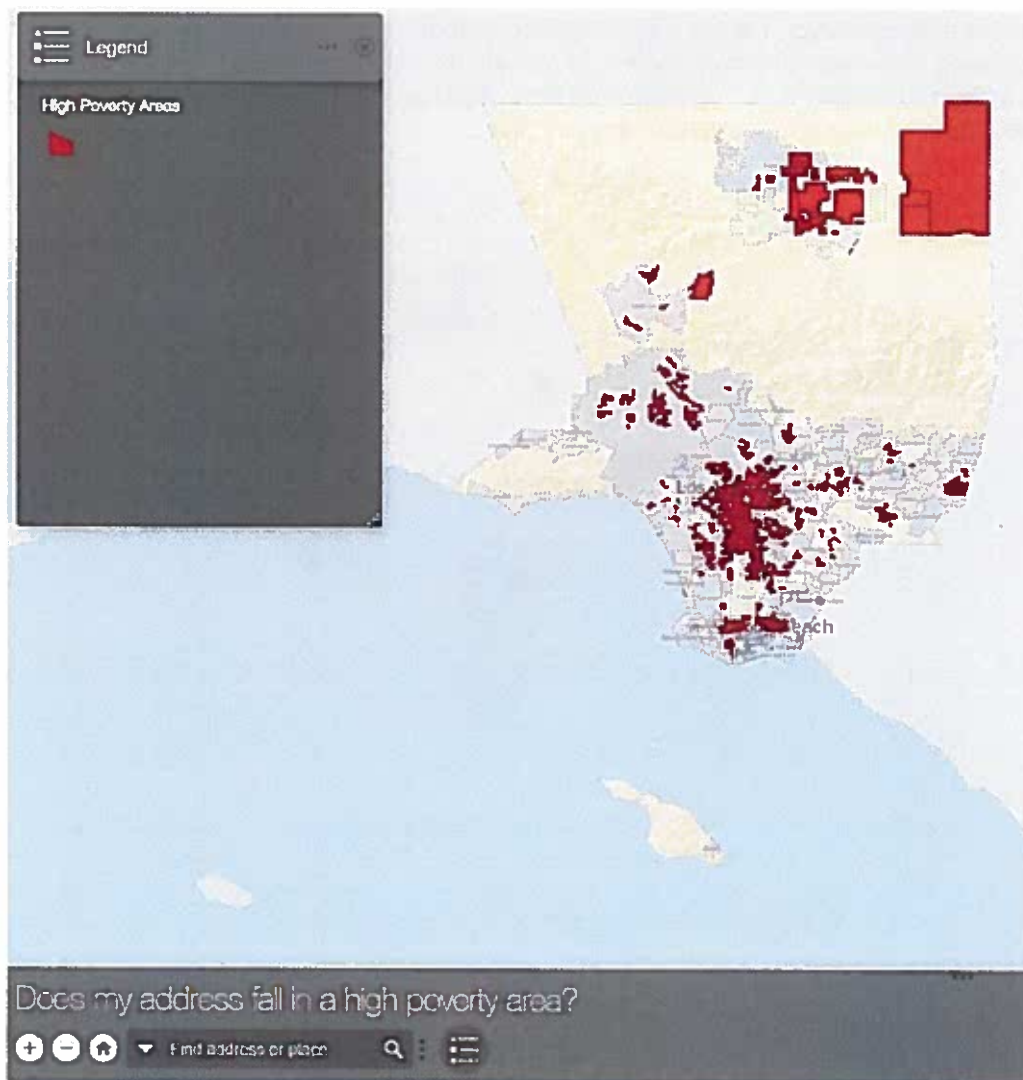

When you first access the app, a small welcome window will appear, you may click on the "OK" button to continue.

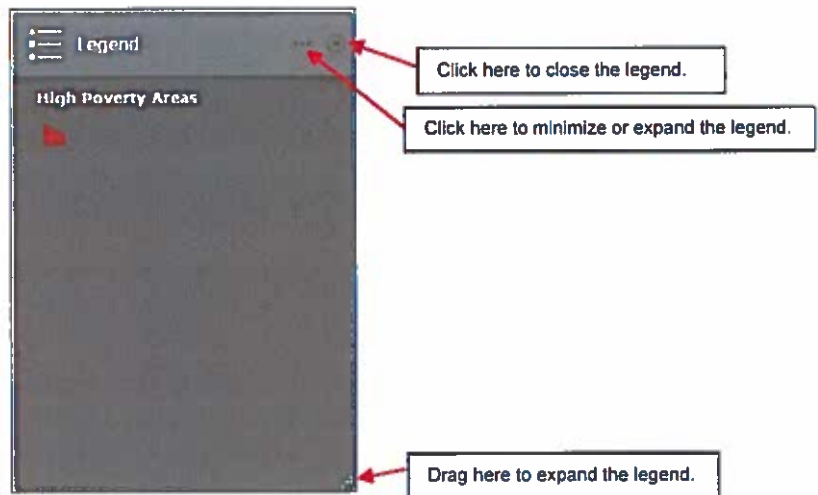

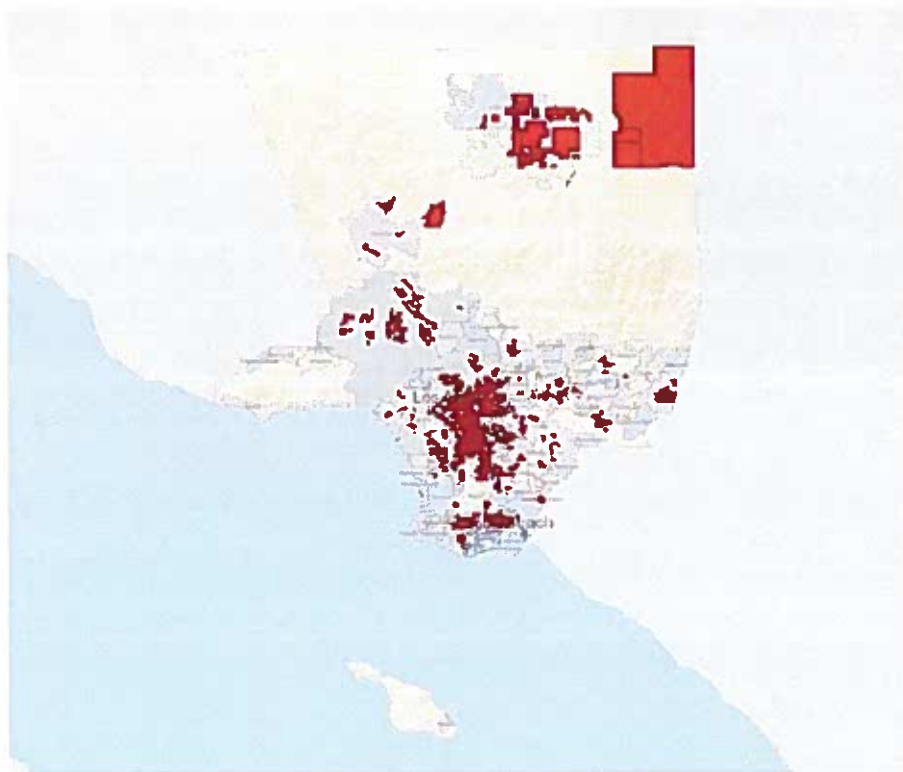

You will next be taken to the map.

The map application is made up by several components:

The **legend** showcases the data being presented on the map.

The **map** is the area where you will see a graphical representation of the Los Angeles County area as well as any data being presented. You may zoom in or out with the scrolling wheel of your mouse (or you can also use the zoom buttons   located on the bottom panel), and you may also drag the map by click anywhere on the map and dragging in any direction.

*Please be aware that certain <u>data</u> elements will disappear if you zoom out too much. To correct this, simply zoom in, or click on the   button, or the   button, both located in the bottom panel.
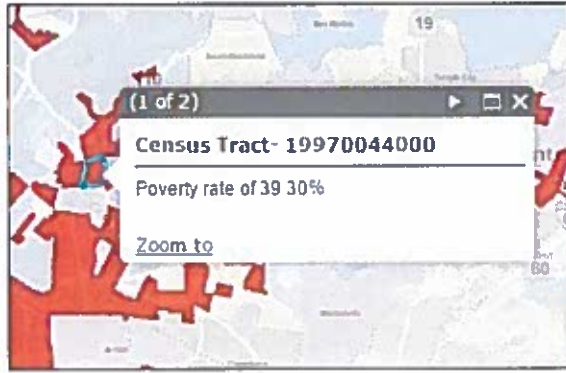

The **bottom panel** has additional functions for the use of this map application.

The address box will allow you to enter an address. This box will show up to 5 possible matches. The map will then show a point corresponding to that address. *Please note that addresses that fall outside the LA County boundary will not

This button hides or shows the title bar

Does my address fall in a high poverty area?

Enter Address

show on the map.

Zoom in or out.

The home button allows you to visualize the map at its default extent.

This button hides the widgets to the left. Click again to show them.

The legend button hides or shows the legend box.

*The **Address Box** accepts full addresses (such as 3175 W 6TH ST, LOS ANGELES, CA, 90020), partial addresses (such as 3175 W 6TH ST), or a zip code.

If you click anywhere in the red areas, the map will show the information corresponding to the area. The red areas are the high poverty areas as defined by the Employment Development Department (EDD). EDD has defined a high poverty area as a Census Tract that has a poverty rate of 25% or higher.

This tool was designed to aid staff to determine if a participant resides in a high poverty area established by EDD. For questions or comments, please email your program staff.
